WHAT OUR CLIENTS SAY

"Everything was completed exactly like we needed it, to a 'T.' I wish you guys could work on all our grant closeouts."
Noel Davis, Grant Manager, CalRecycle

"Thank you for taking it off my plate and getting the work on Claremont's end done! Greatly appreciative!"
John Costa, Management Analyst, City of Claremont

Grant Research

We find grants for your projects or programs, develop an overall funding plan & schedule, and never miss a grant opportunity. Our team provides timely grant summary fact sheets so you can make well-informed "go" or "no-go" decisions.

Expertise in Federal, State, and Regional grant programs.

Grant Writing

We develop and submit winning grant proposals, monitor award announcements, and schedule debriefs. Our B&A professionals are trained to follow our detailed best practices, processes, and procedures to develop highly competitive and customized grant applications. High-caliber writers with extensive technical writing experience.

B&A has never missed a grant deadline.

Grant Management

Our full-service post-award Grant Management team ensures your awarded grants stay in 100% compliance with all federal, state, and local grant requirements. We exclusively utilize our proprietary grant management software system to manage all tasks and store all documents.

Grant Management Software

Our Grant Management Software system is purpose-built to enable precision compliance on all your grant-funded projects – from day one to final close-out. This software system streamlines all your grant management needs in one centralized platform.
