Proactively Monitor and Target Grant Programs

B&A proactively researches, tracks, and identifies grant opportunities that match your specific needs on a daily basis utilizing a systematic process to source grant solicitations at the federal, state, regional, and local level. You can also custom request B&A to research specific questions on grant programs to determine fit for your priority projects.

Fact Sheets to Make “Go” or “No-Go” Decisions

B&A develops Summary Fact Sheets on each grant opportunity to extract key criteria and requirements to enable you to make timely and well-informed “go” or “no-go” decisions.

Grant Expertise Tailored for Local Government

We match your specific needs with our deep expertise and understanding of federal, state, regional, and local grant programs and unique funding cycles. Take advantage of our comprehensive grant calendar to ensure you never miss an important grant submission deadline.
